

## ***Music and Flo***

Flo was born in Buffalo New York in 1927. She spent most of her life there and in the Elmira New York area. She was the middle child in her family and was the proud 8<sup>th</sup> grade valedictorian of her class at St. Adalberts School. Her training in business led her to work in accounts payable at many different offices until settling in to work at an elevator company for many years. She was married to her first husband John for 50 years, before he passed away. Together, they brought two lovely daughters into the world. Florence and her second husband John spent four years together, before he too passed away.

Music is Flo's passion. She sang joyfully in many church choirs and musical productions throughout her life. She loves to harmonize and enjoys sharing music with everyone she meets. Meeting Liberace in person is one of her fondest memories. Florence also loves to laugh. A good comedy team really gets her going!

Every day, Flo rises at 8 AM, gets cleaned up, eats breakfast, and takes on the day. Bingo, board games, puzzles, and shopping trips are her favorite daily activities. She is also inspired by attending Catholic church services. Flo' says there is nothing like a trip to the beauty shop for a good manicure. But she must be home in time to watch the 6 o'clock news, Wheel of Fortune, and Jeopardy. Her busy days often last until 11 PM. She considers herself a night owl.

If you like Florence's story, stop by her place for a chat or maybe a duet. She says unexpected visitors always brighten her day!
